## PRESS RELEASE

**SORTOUT and Dr. Music Records join forces for the release of their Metalcore album “Conquer From Within”**

Together with their new label Dr. Music Records, the Austrians SORTOUT hit the heart of the current Metalcore scene true to their band’s motto, ‘ARISE. SORT OUT. OVERCOME.’ and are continuing their path, which they started in 2008, with their uncompromising second album “Conquer From Within” at full force. The twelve varied songs of the up-and-coming Metalcore act were produced by Daniel Thabet in New York’s Liquid Studios and perfectly mastered by Grammy winner Alan Douches (Dillinger Escape Plan, Every Time I Die, Mastodon, Baroness). With their new album which will be released worldwide on February 21st, 2020 the musicians prove how versatile their Metalcore is, ranging from inventive Melodic Death Metal to Hardcore intensity up to powerful Groove Metal effects.
